These topics will serve as a jumping-off point for a deep dive into the culture viewers 13-16 will embrace. Each week Nzinga will analyze and answer the questions that shape our society - using the power and speed of the internet and user-generated questions and content. Experts in pop culture will join her to add insight and historical perspective. And most importantly, viewers will come away with a week's work of "aha" moments to share with their friends and family. Six degrees of separation takes on a whole new meaning, and there's no limit to what viewers will learn when they experience Culture Click.

These topics will serve as a jumping-off point for a deep dive into the culture viewers 13-16 will embrace. Each week Nzinga will analyze and answer the questions that shape our society - using the power and speed of the internet and user-generated questions and content. Experts in pop culture will join her to add insight and historical perspective. And most importantly, viewers will come away with a week's work of "aha" moments to share with their friends and family. Six degrees of separation takes on a whole new meaning, and there's no limit to what viewers will learn when they experience Culture Click.
